Dear Jack, Ed, and Willy,

My whole class would like to invite you to talk about Targa races in Newfoundland. I think it would be really cool for you guys to come in. The time zone must be really hard to get used to in Newfoundland. I know how you feel because I had to get used to the three hour time zone from Michigan to Oregon. Anyway, I hope you get the chance to come in to our class.

You're new friend (hope so)
